# PARAJE LAS CHOZAS

(estate wine)

As a point of interest, the grapes used to make the wine from Paraje Las Chozas grow on **35 to 50 year-old ungrafted vines**, yet it is the **most modern-style wine in the Bruma del Estrecho de Marín wine range**.

The vineyards are planted in the north of DO Jumilla, in an area called Tobarra. The **fresh soils**

**with wide-ranging temperatures** give rise to well-structured wines with smooth tannins.

The peculiarity of the soils in these vineyards is that there are areas that are very **rocky, chalky and strewn with stones**, while other areas boast **are sandier**, which affords the wine fresh, elegance nuances.

 DOP Jumilla

 ABV 14.5%

## THE COLLECTION

This exceptional project is the personal brainchild of Elena Pacheco and Isio Ramos aimed at making **100% Monastrell wines from select DO Jumilla vineyards**. Using vineyard husbandry and winemaking techniques acquired from local viticulturists, they skilfully craft their wines to **reach their full expression with regard to microclimate, soil, location, and the age of the vines**.
